

0603 1608 Blue surface mount LED chip SMD LED

Package (L/W/H) : 1.6*0.8*0.6mm

Low current operation

Low power consumption

High brightness

Rohs & CE standard

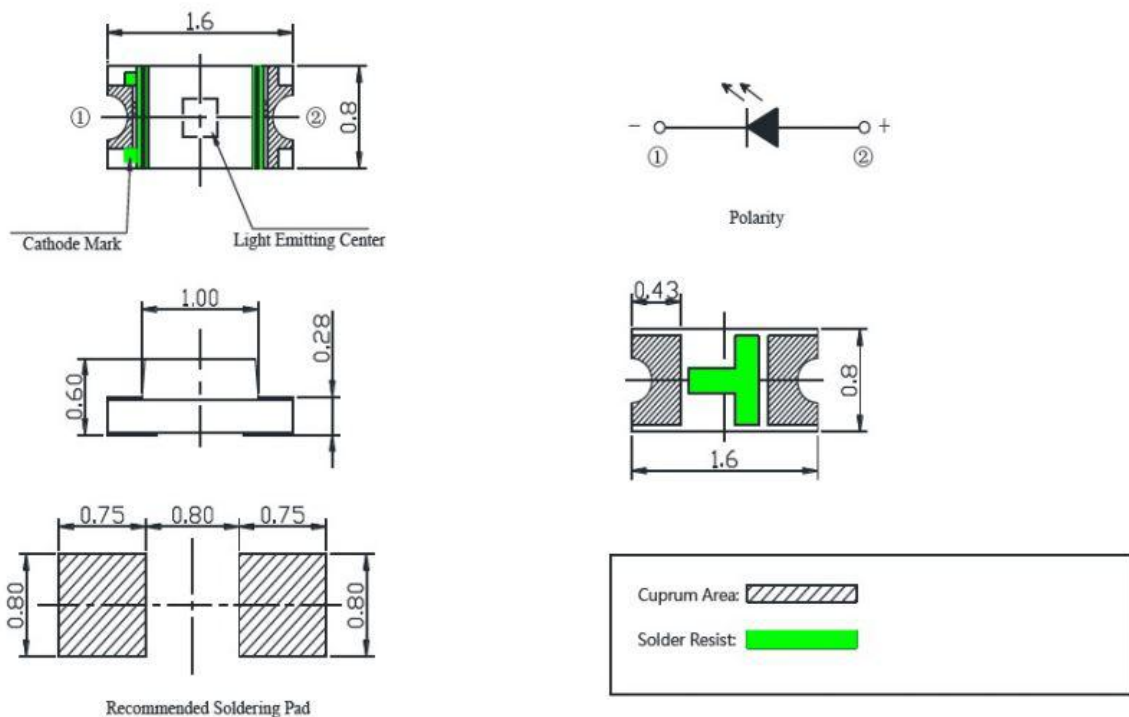

Easy mounting on P.C. board or sockets

Long-life, 2 years of warranty

Short delivery time

We can produce various types of LED products according to your request ,and produce appearance color as white (cold white ,white, warm white), red, green, blue, yellow, orange, infrared, RGB, etc.

■ Package Dimensions:

Notes:

1. All dimensions are in mm.
2. Tolerance is ± 0.25 mm unless otherwise noted.

0603 smd led chip blue Parameter:

Size	0603 LED (1.6x0.8x0.6mm)
Color	Blue

Luminosity/Brightness	80-160mcd
Forward Voltage	2.8-3.4V
Current	20mA
Wavelength	465-475nm
Viewing Angle	120 Degrees
Mount Style	SMD (Surface Mount Diode)
Lens Color	Clear
LED Brightness Class	Super/Ultra/Extreme

Packaing Details

- (1)The 0603 smd led are packed in cardboard boxes after taping.
- (2) Taping Specifications (Units:mm)
- (3) Package: 4000pcs/reel

1608 smd chip led Information and Production Line

PRODUCTION PROCESS

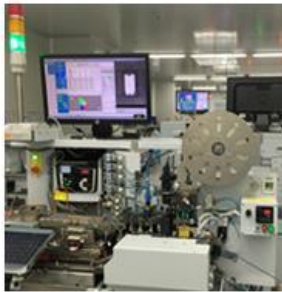

Die Bond

Wire Solder

Compression Moulding

Taping

Spectrometer

Slicing

Shipping:

We provide EMS DHL UPS FedEx TNT that several different types of express allows you to select, under normal circumstances, the transport time is in 3 to 7 days or so, if large cargo, by sea or by air shipping, so time is longer, but safer, and the freight is lower.

SHIPPING

FAQ:

Q1. Can I have a sample order?

A: Yes, we welcome sample order to test and check quality. Mixed samples are acceptable. free samples will be available.

Q2: What's the delivery time?

A: It usually takes about 5-7 days to produce an order. But the exact delivery time might be different for different orders or at different time.

Q3: What's your warranty terms?

A: The warranty for all our Led products is 2 years.

Q4: How does your factory do regarding quality control?

A: Quality is priority. We always believe Quality is our marketing and attach great importance to quality control from the very beginning to the end of the production. Every product will be fully assembled and carefully tested before it's packed for shipment.
